THE FORT FILLS THE FLEET

Ride shotgun with us to fill our fleet and feed our neighbors!

South Michigan Food Bank serves eight counties, including Calhoun County. Our role as a food bank is to acquire millions of pounds of nutritious foods each year and partner with over 345 agencies to supply our neighbors with much-needed grocery products. We have a fleet of 19 trucks that travels across eight counties to deliver food! With your partnership, we can fill our fleet and feed our neighbors.

The Fort Fills the Fleet is a fund and food-raising opportunity from April 1rd to April 30th. It is designed for any size company. You can select from our distribution fleet and fill to capacity! It can be a cargo van that holds 2 pallets or for larger companies, select the semi-truck that holds 20! Empower your coworkers, your peers, and your stockholders to maximize your time and dollar by engaging in the event that rises to the occasion and "puts the pedal to the metal," and End Hunger!

HOW TO PARTICIPATE

Your company can get as creative and simple as you want! You can engage your team in multiple ways: host a team potluck with each employee contributing a donation, compete between each department to raise the most cereal boxes, or create a team-building experience by volunteering for a portion of your day! The first step is to choose your tier or vehicle, then determine which activities you'll complete to fill your vehicle!

Choose a tier that fits your employee size and determine different activities to stock your vehicle and together, we will fill our fleet!

Tier	Pallet Count	Cost	Pounds	Staff Size
Ç⇒ Cargo Van	2 Pallets	\$4,600	4,042	1 - 100
2 Cargo Vans	4 Pallets	\$9,200	8,084	101 - 500
Baby-Box Trucks	6 Pallets	\$13,800	12,126	101 - 500
Box Truck	10 Pallets	\$23,000	20,210	501 - 1000
Semi Truck	20 Pallets	\$46,000	40,420	1001+

ACTIVITIES

For every \$500 donated, together, we supply families with 2,750 meals! You can stretch your dollar by raising funds for South Michigan Food Bank. Your company can provide a donation and your employees can raise funds

Our volunteers play a vital role in allowing us to get food to our community! You can make a huge impact by joining our network of volunteers and engaging your staff in team building! For every volunteer, you can save the food bank \$31.80 per hour and this counts towards filling your vehicle of choice!

Since the majority of the food we receive is in bulk, themed food drives are our jam — especially PB & J! Your company can choose a "themed" drive and collect the same foods so each of our clients receive the same packages of food. How about Ramen, rice and pasta, cereal, canned protein or fruit and vegetables?

HOW TO FILL YOUR TRUCK

Here's how each activity fills your truck				
	Raise Funds	1 pallet = \$2,300		
***	Volunteer	1 pallet = 72 volunteer hours OR 1 volunteer = \$31.80 per hour		
	Raise Food	1 bin = \$255 OR 9 food bins = 1 pallet		

EXAMPLE

Peter works for the Battle Creek Dog Food Company. His company joins The Fort Fills the Fleet competition. Their company chooses the Baby-box truck tier to provide six pallets.

They filled their truck with:

- 3,788 dollars raised \$3,778 = 1.6 pallets
- 200 Volunteer hours \$6360 = 2.7 pallets
- 16 bins of food donated \$4,080 = 1.7 pallets

Total = \$14,218 or 6 Pallets of food

HOW TO WIN

At the end of the competition a winner will be chosen based on the percentage of their chosen vehicle they were able to fill. This ensures that every business has a chance to win.

The winning company will have their name put on a plaque that will be displayed at the Food Bank along with their own plaque to display at their business.

SETTING UP THE QR CODE FOR DONATIONS ON THE LIVE FEED

We will provide all businesses with our link and QR Code for the Fort Fills the Fleet

Employees can donate and it will show up on the donation page which company
they donated from. They can remain anonymous and still donate for their company.
This feed can be put on a live display at your organization to encourage competition
between businesses.

How does it work?

- Employees scan the QR code or go to the provided link and donate. When they donate there will be an option under the amount to select their company.
- Their donation will be credited to their company and will show up in the live feed.

What do we need from you to set this up for your company?

- The name of your company
- Your chosen vehicle/dollar amount
- A png or jpg file of your logo

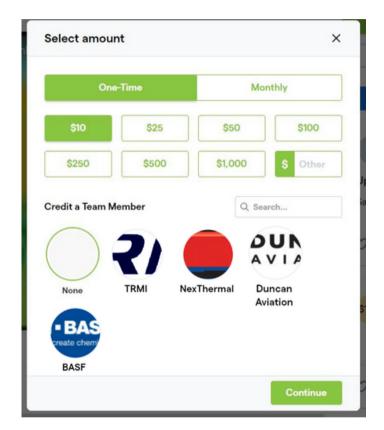

After that your business will be set up on the live feed!
